STATEWIDE GRANTS PROGRAM

We recently announced a new statewide historical grants program at the NSHS Foundation. Our goal is to establish a reliable source of dollars to be made available on an annual basis for local historical organizations and efforts all across the state.

Once this program is funded, we will award grants making these funds available to worthy ideas through an open application process. Our goal is to begin accepting applications on January 1, 2021, announcing winners on July 1, 2021.

Grants will benefit local historical and educational organizations providing programming and learning opportunities in community history. Examples of applying organizations include museums, historical societies, and libraries that use core educational, preservation and interpretive programs. Grants up to \$5,000 will be available.

We hope that you will join us in supporting this worthy program with your donation today.

STORYSINGER DAN HOLTZ

Our friend, Dan Holtz, recently launched his music website and we wanted to share with you! Dan has spent his career telling Nebraska's stories in songs. He has presented his musical, historical, story-telling programs hundreds of times all across Nebraska, including performances at the State Capitol, the Governor's Mansion, the Bob Devaney Sports Center, Homestead National Monument, the Great Platte River Road Archway Monument, Chimney Rock, Scottsbluff National Monument, and Ft. Robinson.

SOUNDS OF STORYSINGER DAN HOLTZ

The German poet Heinrich Heine wrote, "Where words leave off, music begins." As an English Professor and history-lover, I've always been interested in stories and how they're told. I've also known since I was a teenager that music can sometimes help people experience some stories better than thousands of words or, even, scores of pictures. That's why I took to writing songs—to tell stories I want to tell.

NSHSF FUNDRAISING PROJECT

From establishing the territory in 1854 to celebrating our state's centennial in 1967, Nebraskans united to mark their history. Scattered across our state are nearly 300 monuments, markers, statues, and plaques to the exploration, the cultures and their conflicts, the settlement, and the organization of Nebraska. They are found in our cities and along our highways and country roads, but also in our forests, our fields, and our hills. They mark history where it happened.
