## STATEWIDE GRANTS PROGRAM

Earlier this summer, we announced the recipients of our [Statewide Grants Program](#). Over the next few weeks, we will be visiting each recipient to present their checks, meet staff members, and tour their facilities.

We recently visited Sarpy County Museum in Bellevue, Saunders County Historical Society in Wahoo, and El Museo Latino in Omaha.

We enjoyed meeting the wonderful people that work so hard to keep Nebraska's history alive. Take a look at some photos from our tour!

**Sarpy County Museum** will use their grant towards a technology upgrade for operations.

Saunders County Historical Society will use their grant towards preservation of its photograph and print collection.

El Museo Latino will use their grant towards textile boxes and photo storage.

This spring, we took a trip out west to visit some dear NSHSF friends and the historic [Alkali Station](#), an archaeological site approximately 10 miles east of Ogallala, Nebraska on land purchased by the Nebraska State Historical Society Foundation in 2019.

We sat down with Tom Kraus, Pete Peters, and Marvin Stumpf - lifelong supporters of Alkali Station who grew up near the site - to learn about their interest in Alkali Station, and vision for the site's future. We are excited to share these stories with you! Click below to watch the videos.

An Interview with Tom Kraus & Marvin Stumpf

Alkali Station Relics with Pete Peters

Because of its importance and integrity, [Alkali Station](#) has been listed on the National Register of Historic Places. **Join us in preserving this historic site for future generations to come.**

Gifts of all amounts are welcomed and appreciated. We have several giving levels, and each includes special benefits as a thank-you for your donation.
