We're celebrating National Plan for Vacation Day by dreaming of warmer weather and road trips to discover historical markers across Nebraska!

Did you know *Cut in Stone, Cast in Bronze: Nebraska's Historical Markers and Monuments* highlights nearly 300 monuments, markers, statues and plaques to the exploration, the cultures and their conflicts, the settlement, and the organization of Nebraska? Nebraska Book-Award-winning author, Jeff Barnes, beautifully captures this history and their GPS coordinates. **Purchase your copy today and start planning your Nebraska history vacation!**
