NEW on the NSHSF website

Have you visited our new Resources webpage? The Resources page was created to help local historical societies, museums and libraries find other means of funding they so desperately need. [Click here](#) to take a look and learn more about resources available for organizations in your community!

STATEWIDE GRANTS PROGRAM

Want to support the [NSHSF Statewide Grants Program](#)?

Donate today and make an impact on a local historical and educational organization. **There is a tremendous statewide need for education, outreach and interpretive funding in these organizations.**

Gifts of all amounts are welcomed and appreciated. We have several giving levels, and each includes special benefits as a thank-you for your donation.

Donate at the Historian level

Donate at the Curator level

Our goal, with the [Statewide Grants Program](#), is to establish a reliable source of dollars to be made available on an annual basis for local historical organizations and efforts all across the state.

Grants will benefit local historical and educational organizations providing programming and learning opportunities in community history. Examples of applying organizations include museums, historical societies, and libraries that use core educational, preservation and interpretive programs. Grants up to \$5,000 will be available.

We hope that you will join us in supporting this worthy program with your donation today.

ALKALI STATION

[Alkali Station](#) survives as a well-preserved archaeological site because, unlike most other sections of the Overland Trail, it has never been plowed. Remains of sod buildings, walls, and corrals that were raised at the site are all visible and a broad swath of historic trail ruts can be seen leading to and past the site. Because of its importance and integrity, [Alkali Station](#) has been listed on the National Register of Historic Places. Join us in preserving this historic site for future generations to come.

Gifts of all amounts are welcomed and appreciated. We have several giving levels, and each includes special benefits as a thank-you for your donation.

DONATE TODAY TO ALKALI STATION

NSHSF FUNDRAISING PROJECT

From establishing the territory in 1854 to celebrating our state's centennial in 1967, Nebraskans united to mark their history. Scattered across our state are nearly 300 monuments, markers, statues, and plaques to the exploration, the cultures and their conflicts, the settlement, and the organization of Nebraska. They are found in our cities and along our highways and country roads, but also in our forests, our fields, and our hills. They mark history where it happened.
