We will be celebrating our 80th Anniversary this year! The Foundation was incorporated on September 25th, 1942 and since then, we've helped raise funds for numerous projects in Nebraska and continue to do so thanks to our generous donors.

Check out some of these projects on our [website](#) and tune into our social media accounts on the 25th of each month as we highlight milestones from the past 80 years.

We can't wait to celebrate with you in September!

Bellevue is the oldest continuously inhabited city in Nebraska. Bellevue was first settled by fur traders in the 1830s and was incorporated in 1855. Today, it is the third largest Nebraskan city and home to Offutt Air Force Base and the Sarpy County Museum, a 2021 Statewide Grants Program Recipient.
