## Exciting Pershing Update!

Through the generosity of 840 donors from Nebraska, as well as national and international sources, the Committee to Save the Pershing Mural has successfully reached its initial goal in Phase I of the Project, which is to safely remove the Mural from the front of Pershing.

Thanks to all who have given so generously to save this iconic work of Nebraska art!

## Statewide Grant Program Testimonials

Read what our recipients have to say!

Through the generosity of our supporters, the Statewide Grants Program has been a great success. Our 2021 recipients have been sharing their gratitude for the program:

"Thank you again for offering this grant making program and for the opportunity to participate. We're lucky to have a foundation that supports historic preservation throughout the state." - Ben Justman, Sarpy County Museum Executive Director

"Thank you to your entire organization for helping small museums like us." - James Griffin, Lincoln County Historical Museum Director/Curator

A volunteer uses the large media scanner at the Sarpy County Museum. This scanner rental, funded through the NSHSF grant, helped the museum digitize historic newspapers and scrapbooks.
