Washington County Museum

Scribner Musbach Museum

Leslie Fattig and Sue Quambusch are still on the road, making their way through Nebraska to deliver checks to the 2022 Statewide Grant Program recipients. The Washington County Museum is using their grant for data loggers for their basement storage facility including monitors for proper light, temperature and humidity levels. The Scribner Musbach Museum is planning to use their grant to digitize 7000 feet of movies in their collection to be shown at the 2023 50th Anniversary of the Museum (and at other times). Finch Memorial Library will use their grant to purchase a bookcase for their nonfiction and genealogy section. We're excited to see these grants put to good use!
