Walk to the Rock Takes Shape

Construction is well underway at the Chimney Rock site for Walk to the Rock! Earthwork is done and the trails are almost complete and the bridges are ready for installation! We will keep you informed on the progress in Bayard.

If you would like to help us close the gap on our fundraising goals, and help us raise additional funding for educational programming and future maintenance, you can choose your donation level below. Those who donate over \$1,000 will receive an invitation to the ribbon-cutting ceremony later this summer. If you would like to learn more about this project, click on the button below.
