GIVING TUESDAY

We have some exciting news to share!

In November of this year the John K. and Lynne D. Boyer Family Foundation provided a \$25,000 matching grant toward the [NSHSF's Statewide Grants Program](#). The Boyer Foundation has donated \$25,000 to this program, and will provide an additional \$25,000 if we are able to match that amount between **December 1, 2023 and April 1, 2024**—that's a grand total of \$75,000 to support the Statewide Grants Program!

So—we need your help on Giving Tuesday.

The [Statewide Grants Program](#) supports Nebraska museums, historical societies and libraries in their preservation and educational work. These sites are often located in towns of 1,000 or less and are sometimes completely volunteer-led. However, the efforts of these sites, whether it be hosting programs or festivals, digitizing documents, properly storing records in acid-free boxes, or creating displays and exhibits for the public. Their efforts protect the stories of our state's great history and their requests reflect the need and opportunities that the Foundation can help to address in the upcoming year.

Please support the Statewide Grants Program today to help us meet our \$25,000 matching goal. These donations will allow us to expand and deepen our reach to the organizations we are currently working with, as well as many more deserving historic 501(c)(3) organizations.

Thank you for your ongoing generosity and support of this important program.
