Statewide Grants Program Matching Grant

Time is running out! The deadline is April 1st and we only need \$1,500 to hit the \$25,000 goal for the matching grant. Click the link below to donate today.

As you know, the John K. and Lynne D. Boyer Family Foundation provided a \$25,000 matching grant toward the **NSHSF's Statewide Grants Program** and will provide an additional \$25,000 if we are able to match that amount between **December 1, 2024 and April 1,**

2025. That's a grand total of \$75,000 to support the Statewide Grants Program! We are grateful to the Boyer Foundation for providing this opportunity and support.

The **Statewide Grants Program** supports Nebraska museums, historical societies and libraries in their preservation and educational work. These sites are often located in towns of 1,000 or less and are sometimes completely volunteer-led. Their efforts protect the stories of our state's great history and their requests reflect the need and opportunities that the Foundation can help to address in the upcoming year.

Please donate to the Statewide Grants Program today to help us reach our \$25,000 matching goal. Your donations will allow us to expand and deepen our reach to the organizations we are currently working with, as well as many more deserving historic 501(c)(3) organizations.

Thank you for your ongoing generosity and support of this important program.

Sandra Wounded Arrow (Fort Robinson)

On February 16th, Sandra Reddish, Western Nebraska Coordinator at the Nebraska State Historical Society Foundation (NSHSF), attended *Pathmakers and Pioneers: Celebrating Black History* at the historic [Midwest Theater](#) in downtown Scottsbluff. This marked the first program partnership between the Nebraska State Historical Society and the Midwest Theater.

The event featured presentations by Loren Pospisil (Chimney Rock Visitor Center) and Sandra Wounded Arrow (Fort Robinson Museum), both of whom received a warm reception from the audience. The program concluded with a special screening of Nebraska Stories from Nebraska Public Media, highlighting the achievements of Black Nebraskans.

Thanks to financial support from NSHSF, the event was free and open to the public. Broc Anderson, Nebraska State Historical Society Director of Historical Sites, expressed his gratitude to the Foundation for making this meaningful program possible.
