Say YES to Nebraska History!

We are excited to kick off this year's annual giving campaign for the Nebraska State Historical Society Foundation! Your support plays a crucial role in preserving Nebraska's rich history and ensuring future generations can continue to learn from our past.

This year we are highlighting 5 key areas where your donations would have an impact:

- [**Programming and New Exhibits at Nebraska State Historical Society**](#) - this has always been our main priority, and we are excited about a new era of cooperation and emphasis on Nebraska History.
- [**Walk to the Rock**](#) - since opening to the public on July 30, 2023, over 4,000 people have visited from 26 countries and 50 states. Your donation will support an educational speaker series and maintenance projects in 2025.
- [**WanderNebraska**](#) - this program has become very popular with 197 museums, historical societies, and libraries participating this year and over 7,500 booklets requested.
- [**Statewide Grants Program**](#) - In 2024, we awarded almost \$85,000 to 80 organizations across 67 communities. Our goal is to raise an endowment fund of at least \$1 million to continue growing this program.
- [**NSHSF General Fund**](#)

We hope you will agree that donations are being used wisely toward the collection, preservation, and education of Nebraska. We are asking you to continue your support. Thank you for all you do for NSHSF.
