### **Nebraska State Historical Society Foundation Partners with Papa Moon Craft Cider to Launch *WildNebraska***

**LINCOLN, Neb.** (October 1, 2025) – The Nebraska State Historical Society Foundation (NSHSF) is excited to announce an exciting new collaboration with Papa Moon Vineyards & Winery of Scottsbluff, NE. Together, they are introducing a limited-edition cider, *WildNebraska*, crafted with locally inspired flavors of prickly pear and goldenrod.

*WildNebraska* will make its debut on October 1 at Papa Moon Vineyards & Winery and will soon be available at select stores in Omaha and Lincoln. Proceeds from the sale of this special release will directly support the Foundation's mission to preserve and promote Nebraska's rich history across all 93 counties.

"This partnership captures the spirit of Nebraska in both flavor and purpose," said Leslie Fattig, Executive Director of NSHSF. "By raising a glass of *WildNebraska*, you're not only enjoying a unique taste of our state, you're also helping us safeguard and share the stories that define who we are."

Papa Moon Vineyards & Winery, known for its dedication to quality and innovation, carefully crafted *WildNebraska* to highlight Nebraska's natural bounty and character. The use of goldenrod, the state flower, paired with the vibrant prickly pear creates a bold yet approachable flavor that reflects the rugged beauty and resilience of the Great Plains.

"We love creating ciders that tell a story," said Katlyn Massey, COO Papa Moon Vineyards & Winery. "Collaborating with the Nebraska State Historical Society Foundation allowed us to celebrate Nebraska's heritage in a fresh and meaningful way."

The NSHSF invites cider enthusiasts, history lovers, and supporters across the state to enjoy this limited release while contributing to the Foundation's work in education, preservation, and community engagement.

### **About Nebraska State Historical Society Foundation**

For more than 80 years, the Nebraska State Historical Society Foundation has worked to ensure that Nebraska's history isn't just preserved—it's actively shared, explored, and reimaged. Through private donations, the Foundation supports projects across the state that restore historic places, expand access to educational resources, and bring new life to local stories. Signature programs like *WanderNebraska* invite people to connect with the state's past in fresh, meaningful ways—whether by visiting a small-town museum, discovering a hidden landmark, or exploring a piece of forgotten heritage.

None of this would be possible without the generosity of donors who believe in the power of history to shape communities, inspire new ideas, and connect generations. By supporting the Foundation, you help ensure that Nebraska's story continues to grow—reaching more people, more places, and new paths forward.
